PETITION TO REINSTATE ABANDONED APPLICATION

Sir:

In response to the Notice of Abandonment Under 37 CFR 1.53(f) or (g), applicant requests that the application be reinstated. Applicant and PTO records indicate that a response to the Notice of Missing Parts was submitted and received in a timely manner.

Upon receiving Notice of Abandonment Applicant placed a phone call to the PTO and was told that corrected drawings were not in the file; however, according to PAIR system (print outs dated 1/29/03, 9/22/03 and 1/2/04) corrected drawings were timely received and accepted. For the Office's convenience Applicant encloses an additional set of the drawings corrected in compliance with the Notice of Missing Parts dated August 24, 2001; however, Applicant does not feel this was necessary.

Due to the PTO's own records maintained on PAIRS, Applicant believes that the Notice of Abandonment was issued in error.
